HOW IT WORKS

Throughout the summit, use your BINGO card to keep track of how you interacting and engaging during the event.

Each day of the summit, we'll post in the Facebook group with that day's prize options and invite you to post a picture or screenshot of your BINGO card to win. We'll randomly choose one person to win each day's BINGO prize.

You will have 2 bingo cards to use throughout the Summit, one for each week of the Summit.

Card One will be valid until Midnight March 20th and Card Two will be valid until Midnight 30th March.

Note: You can only submit each Bingo Card ONCE on its week and throughout the summit (regardless of how many "bingos" you get.)
